W. T. Enrollment Higher Than Last Year

1176 STUDENTS ENROLLED FOR FALL QUARTER

Increase of 13% Over the Number Attending Last Fall

CLASSES FILLED

841 in College and 335 Enrolled in Training School

Attendance at W. T. was boosted yesterday to a total of 1176, which is an increase of 13% over the attendance at this time last year. The total is more than the total enrollment of the first quarter of last year's fall session.

There are 841 students registered in the college, and 335 in the Demonstration School.

The large increase in attendance is highly pleasing to Dr. J. A. Hill and members of the faculty, although the increase has presented numerous problems in caring for the new students.

In spite of the depression and drouth, this is the third consecutive year which has witnessed a material increase in attendance at W. T. Even when the graduate work was abolished by the legislature three years ago, an increase was shown in attendance irrespective of the loss of about 100 who were taking graduate work. The increase in attendance is taken by college authorities as a complete endorsement by the people of this section of the splendid work which

Government Asked to Buy 6,000 More Cattle in Randall

No word has been received as to whether or not the cattle buying program will be resumed in Randall county. The entire program has been shut down, but word comes from Washington that buying will continue in the drouth section within a short time.

County Agent W. H. Upchurch has written authorities at College Station and Washington asking that 6,000 additional head be bought in Randall county. The government has already bought 8,000 head in the county, but owing to the scarcity of feed, and with practically no pasture, it would be impossible for the farmers and stockmen to carry the present number of stock through the coming winter.

Congressman Marvin Jones has been requested to urge that the cattle buying program be started again in the drouth section in order that the farmers may be relieved of the heavy burden of trying to care for this stock. Present high prices of feed would make it impossible for farmers to carry all of their cattle through the winter, even through the facilities offered by the government in making feed loans.

It is believed that word will be received early next week regarding the continuation of the buying program in Randall county.

Road Work Stopped Again When Relief Funds are Exhausted

Work on the Goodnight Trail was again stopped when relief funds played out.

The road has been covered with caliche all the way to the Palo Duro State Park, and about two miles have been built up to care for the wear and tear during the summer. With the passage of the relief bonds by the legislature it is anticipated that more funds will be received in order to continue the work.

Bufs Have Hard Game For Friday

Southwestern Team Coming With Seasoned Players

This week the Buffaloes take on a real tough assignment when they meet the Southwestern Bulldogs of Weatherford, Okla.

After last Friday night, some may say that they do not need any tougher assignments, but the men of Coach Rankin Williams form a ball club which appears to be much stronger than the Ada Tigers were.

Last year the Southwestern Teachers did not lose a single contest to win their second consecutive Oklahoma State Collegiate Championship unchallenged.

Sixteen Lettermen
Sixteen returning lettermen from the 1933 team are the nucleus around which Coach Rankin Williams and Hack McManus, line director, have succeeded in building another powerful machine.

Outstanding Players
Outstanding on the Southwestern team are Cake Gore, 186 pound All State halfback in 1933; Steve England, 168 pound All State guard in 1932 and '33, and also National 165 pound wrestling champion, Burton Marshall, 158 pound second All State quarterback in 1933.

Francis Young, although he weighs only 146 pounds, is one of the most finished runners in the Oklahoma Conference. West Texas fans will remember him from last year when he led the Southwestern basketball team to victory over the Bufs with his flashy playing. He was All State in both basketball and football in 1932.

Last year Young was almost solely responsible for defeating the Bufs single-handedly in Weatherford 27 to 6. He runs in what is termed a "crazy legged manner," and is very elusive. Once in the game last year he ran 40 yards for

School Officials Seek Information Of Superintendents

A school survey of 60 counties of the state is being made by representatives of the State Department of Education for the purpose of making recommendations to the next session of the legislature for reforms in school laws. Randall county was included in the survey, which was made last week by J. H. Steinlee, H. I. Alves and Bryan Dickson, representatives of this department.

Judge S. B. Orton was interviewed at length regarding the local school situation, and recommendations were sought which would improve the school laws of the state.

The party visited W. T. while here. Dr. Harris M. Cook has been selected as district advisor in connection with the curriculum work.

Band Uniforms Are Being Purchased for H. S.

Donations are being received to buy the new uniforms for the high school band. The American Legion and Legion Auxiliary are sponsoring the purchase of these uniforms, with Mrs. Hud Prichard as chairman.

The following have donated to the uniform fund:
Chamber Commerce—5 uniforms
Firemen—2 uniforms
B. M. S.—1 uniform
Harry Wood—\$1.00
Other donations are being requested to complete this fund.

Lindbergh Ransom Money is Found

The first hint that the 2½-year old Lindbergh baby kidnapping murder mystery would finally be solved, came when recognition of a bill as part of the Lindbergh ransom money led to the arrest of its tender, Bruno Richard Hauptmann, above, and discovery of \$13,750 of the \$50,000 ransom sum in Hauptmann's garage in Bronx Borough, New York City.

Rain of .10 Inch Falls Sunday, Followed By Cold

Canyon received a light shower of .10 of an inch Sunday evening. Showers fell in several parts of the county, but did not amount to much.

Colder weather followed the shower, with the prediction that frost would come during this week.

900 HEAD TO BE BOUGHT DURING WEEK

First Buying of Sheep Started Yesterday in Randall

6,000 ARE READY

Ask That Buying Will Be Continued in County

Sheep buying started in Randall county yesterday, when authority was granted to buy 900 head of sheep this week. No statement had been received as to the number which would be purchased next week, but request has been made to buy 6,000 head in Randall county during the campaign.

The government was making a test buy yesterday, and the results of this week's purchase of 900 will probably decide the future policy in Randall county. \$2.00 per head will be paid for all ewes, regardless whether they are accepted for shipment, or condemned for slaughter here.

The government agent arrived Sunday and went over the sheep buying program with County Agent W. H. Upchurch Monday in order that all phases of the work could be thoroughly explained to those who have offered sheep for sale.

The sheep buying program was started two weeks ago in the larger sheep producing counties of the state, but the buying only started on the Plains this week.

Miss Dorothy Fay Rusk and Miss Madge Rusk were both home over the week end. They are teaching at Abernathy and Pampa, respectively.

Miss Elizabeth Faulkner, who is teaching at Booker, was home this week end.

Parents Will Be Honored at 25th Anniversary

Parents will be honored with a special program at the Silver Jubilee of the West Texas State Teachers College on October 20, with Judge R. Walker Hall of the Court of Civil Appeals, Amarillo, representing the fathers of the boys who have been on the campus during a quarter of a century, and Mrs. Harvey Cash of Canyon, representing the mothers.

Both Judge Hall and Mrs. Cash are parents of several children who have attended the college.

Ruth Bryan Owen, United States Ambassador to Denmark, will deliver the principal address of the program honoring parents.

Jarrett Drug Store Lost \$93 and Safe Is Badly Damaged

Robbers blew the safe at the Jarrett Drug Store Sunday night, getting away with \$93.61. No clues were left by the two men who seem to have made up the crew to do the job.

Entrance was obtained through the front door, which was badly damaged when it was forced open. The men left by the rear door, according to footprints which were found in the back of the store.

The safe door was wrecked, and all of the contents scattered over the floor.

Of the money stolen, \$63.61 belonged to the store and \$30 to the Canyon Athletic Club as a result of season tickets sold to the Buffalo football games.

Hales' Holsteins, and the Tierra Blanca Jerseys Lead

Randall county breeders scored heavily at the Tri-State Fair in the Holstein, Jersey and Shorthorn classes.

The H. B. Hales herd of Holsteins and the Tierra Blanca Jerseys were the big winners, as has been the case for a number of years.

Both Grand Champion bull and Grand Champion cow came to the Hales herd, as has been the case in many other Holstein shows in recent years.

Other winners for the Hales herd were:

Junior champion bull
Bull, three years old and under.
Bull, senior yearling.
Bull, junior yearling.
Bull, senior calf.
Bull, junior calf.
Cow, four years and over.
Cow, three years and under.
Heifer, two years and under.
2nd, heifer, senior yearling.
Heifer, junior yearling.
Heifer, senior calf.
Heifer, junior calf.

Gruener a Winner
F. C. Gruener's herd of Holsteins placed in two of the classes on the show as follows:

Junior champion cow.
Heifer, senior yearling.
In the Shorthorn class C. E. Donnell and Son placed third in the class of heifer calved between July 1st, 1933, and April 1, 1934.

Wins on Jerseys
The Tierra Blanca Jersey Farm east of Canyon won the following on the Jersey cattle entries:
2nd, bull under three.
3rd, senior bull calf.
1st, cow, four years and under.
1st, heifer two years and under.
1st, heifer senior yearling.
2nd, heifer junior calf.
1st, aged herd.
3rd, young herd.
3rd, calf herd.
1st, county herd.
1st, get of sire.
1st, cow of register of merit.

Agricultural Show Brings Many First to Randall County

Randall county stepped out and won a large number of places in the agricultural show at the Tri-State Fair in spite of the drouth. No county awards were made at the fair this year, but County Agent W. H. Upchurch assembled an exhibit which was of great interest to the thousands of visitors, and in the individual showing won many prizes.

The following places were awarded to the Randall county entry:
Wheat, hard winter, 1st.
Rye, 2nd.
Barley, 1st.
Hegari, 1st.
Field peas, 1st.
Native prairie hay, 1st, 2nd.
Winter squash, 3rd.
Pumpkin, 4th.

Car Wanted to Transport 65 Girls Friday

Cars are needed to transport 65 girls of the pep squad to Panhandle Friday night for the Eagle-Panther football game.

The cars will leave the high school building at 6:00 o'clock in order to reach Panhandle for a pep meeting before the game is called at 8:00 o'clock.

Citizens are asked by Mrs. Lee Foster to notify her if they will be able to take a car load of these girls to the game.

REDUCTION IN RATES FOR THE SMALL USERS

Year Around Rate Offered of Benefit to All

MINIMUM IS SAME

Contracts Must Be Signed By Patrons for New Rate

Lower rates for gas for domestic and commercial consumers in Canyon will be effective immediately to those users who sign contracts offered by the West Texas Gas Company to year-around users. The new optional rates were announced by R. F. Hinchey of Lubbock, vice-president of the company.

Similar reductions are offered in all towns served by the company.

The City Commission, a few weeks ago, authorized the gas company to make effective optional rates for all domestic and commercial consumers who desired to sign contracts for the same. This contract offered reductions to a majority of the consumers, Hinchey said, but did not provide for a reduction to those who consumed 5,000 cubic feet, or less per month. The Commission requested that a lower rate be made for the small users.

The rate as now revised offers a reduction to all domestic and commercial consumers who consume gas in excess of the minimum bill now in effect, and who desire to contract for this rate. To those who do not contract the old rates apply—\$1.50 minimum, with 2,000 cubic feet allowed for that charge and 67½ cents per thousand thereafter.

The contract provides that gas

George Whittenburg Died Friday Following Heart Trouble

George A. Whittenburg, 54, died Friday at an Amarillo hotel of heart disease, following an illness of several months. The funeral services were held Sunday afternoon at 3:30 o'clock at the home, conducted by Dr. G. L. Yates, pastor of the First Baptist Church of Amarillo. Interment followed at Dreamland Cemetery by the side of Mrs. Whittenburg, who died three years ago.

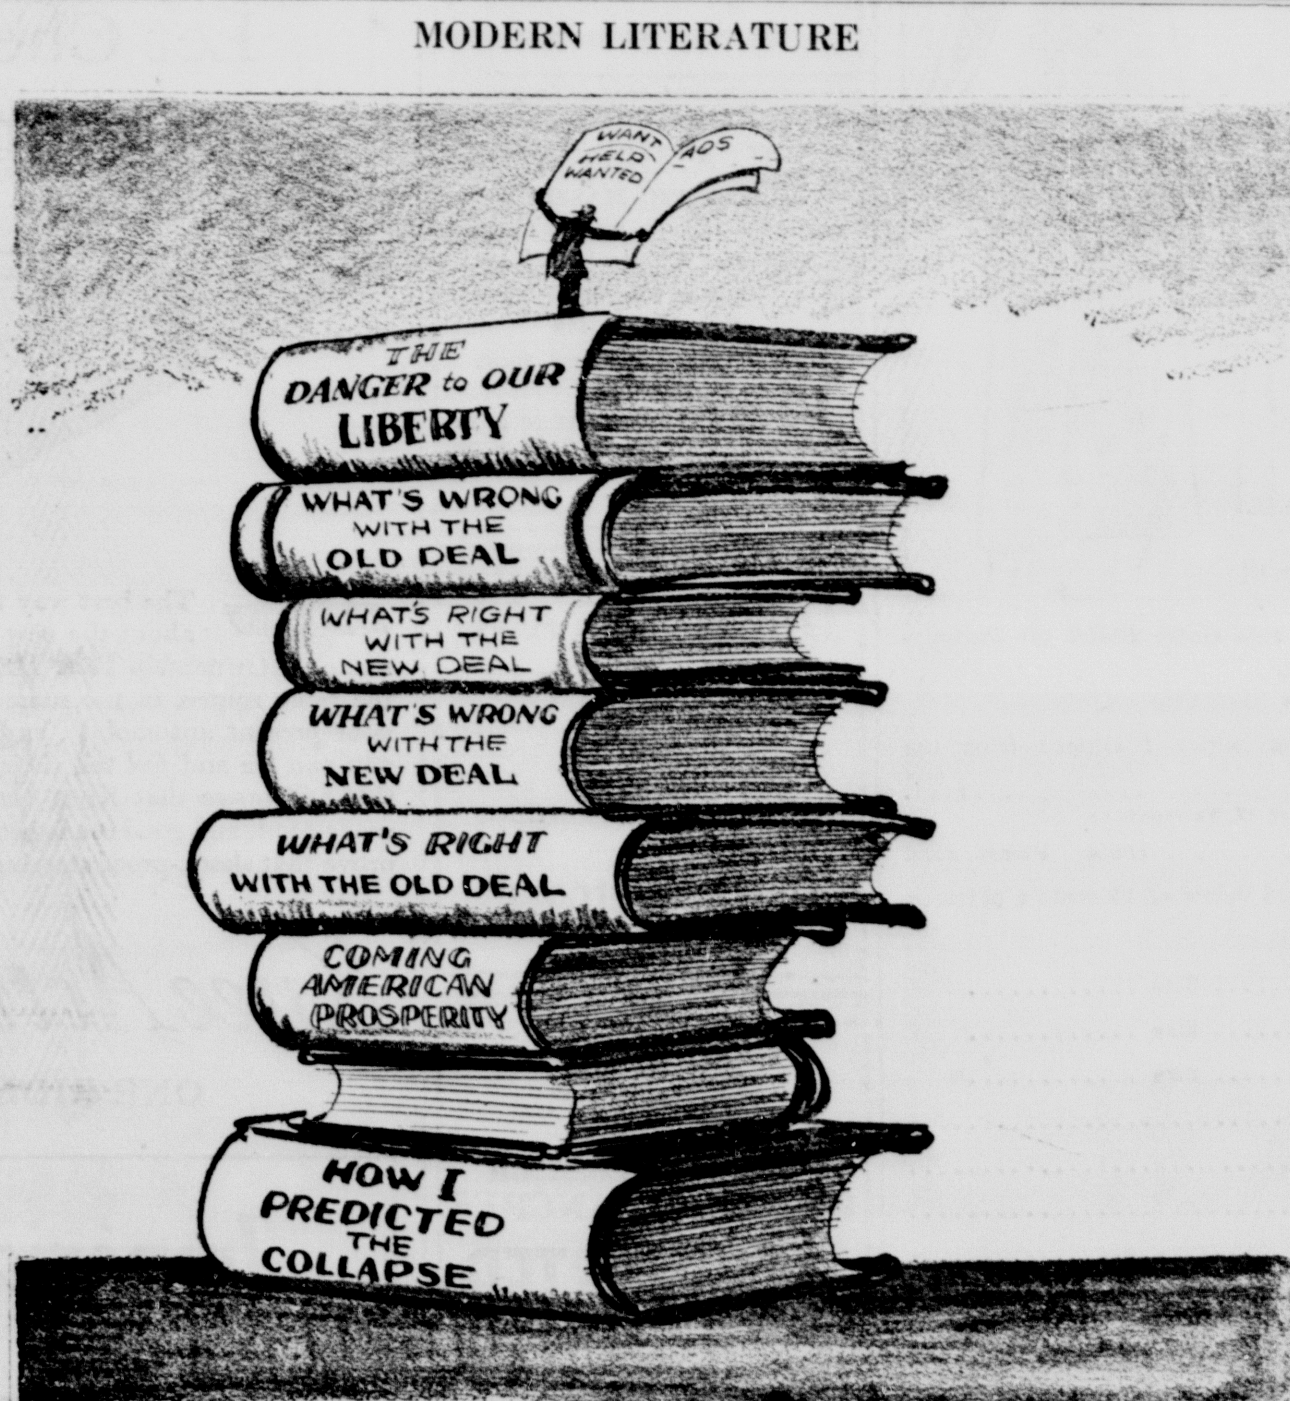

The active pall bearers were R. C. Ware, Oscar Smith, W. T. Coble, George Simms, W. C. Black and J. W. Sanders. The following were honorary pall bearers: Billie Carter, Ed Deahl, Roy Pool, J. J. Walker, E. H. Brainerd, Cal Merchant, J. B. Dooley, E. J. Pickens, J. F. Weatherly, J. H. Whitesides, W. R. Harvey, Francher Upshaw, L. F. Shetty and J. A. King.

Survivors include his father, J. A. Whittenburg of Hutchinson county and Amarillo; thirteen children and a sister. The children are J. A. Whittenburg, Jr., Hutchinson county; Roy R. Jake, J. S. B. and Joe D. Whittenburg, all of Canyon; Mrs. Harvey Ratcliff, Stinnett; Mrs. B. E. Walker, Boise City, Okla.; Mrs. R. G. Windsor, Mrs. Art Hawks, Mattie Pearl, Bonnie, Helen and Tennessee Whittenburg, all of Canyon. The sister is Mrs. Sid Hedgecoke of Amarillo.

The Whittenburg family has made its home in Canyon for several years, coming here from Hutchinson county for the benefit of the schools. Mr. Whittenburg continued to operate his extensive ranch and oil properties. The Whittenburg property is in the Hutchinson county oil section, and the family has been prominently connected with the development of this pool since oil was first discovered in this section.

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

It is most distressing to see so many Canyon people spending all of their money out of town without even considering the home merchants. As bad as conditions may seem, if every business house was forced to close because the people are going away from home to do their trading, property in Canyon would be worth many, many times less than it is today, and the local governments would be forced to cease functioning. The town in which a family makes its living should be good enough for them to invest this money in. The matter of home loyalty is fast becoming a most serious question for the smaller communities. The little towns are suffering, and the large cities growing and prospering because of this lack of understanding on the part of the people as to their duty toward the local community. Of course there are many business firms who set a very bad example by buying practically everything they use out of town. As a method of recovery, every Canyon citizen should spend his money in Canyon in so far as possible.

A fight is being made in the Panhandle on Judge W. R. Ely with an attempt to influence Governor-elect James V. Allred not to re-appoint him on the Highway Commission. L. M. Fischer of Randall County and T. E. Johnson of Potter county have been suggested as likely candidates to succeed Judge Ely. We have no fight to make on the home boys if they can get the job, but are inclined to believe that Judge Ely is better equipped to handle the job than either of those mentioned. Ely is located in a section of West Texas which will come nearer pleasing all West Texans than either of these two. It would be too bad for the Panhandle if the fight on Judge Ely would sour Allred upon him.

and he should name some one else who has no interest at all in the Panhandle. The Panhandle has received fair consideration from Judge Ely, regardless of what the opposition may say of him.

Sentiment is increasing in Canyon for more support for the high school band. As a matter of fact, Canyon contributes less for the support of a local band than any town on the Plains of its size. Practically every town has a tax supported band, which is rendering wonderful service to the community. There are large numbers of young people in Canyon who would like to play in a band, but they cannot afford to buy their own instruments, and their own uniforms. They would take great pride in giving their services to the community if the community responded by furnishing them the necessary equipment. The community can well afford to do something worthwhile for the boys and girls who wish to play in the band.

Congratulations to Representative A. B. Tarwater of Plainview on the passage of his bill to place a tax on oleomargarine for the protection of the dairy farmers of Texas. Tarwater has been working on that bill for six years. He was the author of the gasoline refund bill which returns the state gasoline tax to the farmers who use gasoline in their tractors. Tarwater is a farmer, and has worked steadily for the interest of the farmers while a member of the House. He is one of the few members who has served three terms and entering in the fourth term. Tarwater has always been one of the most intelligent and useful members of the House.

The Buffaloes got a bad start Friday night. The human element cannot be removed from any athletic contest. When things go wrong, it is impossible to set them right and get them to going right. The Buffaloes have the making of a wonderful team this fall. They have the fighting spirit. When things begin to click in their favor, it will be a different looking and acting team than performed Friday night. Give the boys a chance; give them every encouragement. Get out and back them again Friday night, and see if the thing which hindered the team last week will not be corrected.

Old Tack does not know his football geography. He boosted for Tech last week saying that Tech would beat Texas because West Texas grows football players. Tack overlooked the fact that four Amarillo boys were playing on the

Texas team, and not a single Amarillo boy was on Tech's team. Amarillo has the honor of furnishing more men for this year's Texas team than any town in Texas. But Tech put up a wonderful game against Texas.

Have you noted the care in which several filling station owners are beautifying their places of business? Patches of grass and flowers are making beautiful several of these stations. The operators are to be congratulated, and commended upon the thoughtfulness of improving their property. Those who appreciate their efforts should give them a word of appreciation as you pass their places of business.

Crime never pays. Yet the criminal will never find this out. The sluths of Uncle Sam never give up the search, as witnessed by the Lindbergh case. Crime is the greatest cancerous infection of our national life. The United States leads the world in per capita crime. Something must be done to stop its growth, and only the severest measures will do this.

Marvin Jones may not be elected Speaker of the House, but his colleagues could not select an abler, fairer man for their presiding officer than he. Indications are

that a Texan will be the next Speaker, which would be a most distinct honor for the state to have furnished the presiding officer of both the House and Senate.

It was taken for granted that the court fight to keep Allred's name off the general election ballot would fall flat, but it is surprising that the case was settled so quickly and quietly. We can now go on peacefully with the November election, and ratify the primary of this year.

Continue the clean up campaign. Home coming and the celebration of the 25th anniversary of W. T. will be held October 19-20. Thousands of people will visit Canyon on those days. Nothing will be more impressive to the visitors than a thoroughly cleaned town.

Charming Frocks for Everyday Wear

THOUGH SIMPLE AND VERY EASILY FASHIONED, NEW PRESENTATIONS ARE ATTRACTIVE ADDITIONS TO ANY WARDROBE

If you would like to add to your wardrobe frocks that will take you, advantageously, through busy days, practical yet chic little outfits that brighten whatever particular spot you happen to be in, we can suggest nothing better than the pert little affairs pictured above.

A simple, charming frock of gingham in a gay checked pattern (No. 9657x) will subtract years from your appearance. White collar, vest, cuffs and belt lend smart contrast to this dress, which is available in sizes 34 to 44. Size 38 requires 3 3/4 yards of 35-inch material, plus 1/4 yard contrast. To bustle around at home or downtown, few dresses are as attractive for the purpose as No. 141. Simple of line and easily made, this frock, in navy and white, makes a distinguished looking costume.

It is designed in six sizes—34, 36, 38, 40, 42 and 44—and may be made in printed wool or silk crepe. Size 38 calls for four yards of 39-inch material plus 1/4 yard contrast for the collar and jabot.

Pattern 2677x presents an adorable frock, which requires but a short time with the needle to fashion. Of fine blue gingham, with pearl buttons, this distinctive dress can be had in sizes 34 to 48. Size 38 needs 3 3/4 yards of 35-inch material, or 4 1/4 yards if long sleeves are desired.

Ruth Bryan Owen Is Principal Speaker Home-Coming Program

She Is Only Woman To Hold Foreign Ambassadorship

Ruth Bryan Owen, former Congresswoman and the only woman ever to hold a foreign ambassadorship, will be the principal speaker at the 25th Anniversary Home-Coming celebration here next October 19 and 20.

Political Woman

One of the outstanding women in American politics, the daughter of William Jennings Bryan, the greatest politician of his day, Ruth Bryan Owen has won her own place in Washington. Beginning her career as her father's secretary in the presidential campaign of 1908, she gained much experience which was of value to her in her own campaign. During the war, Mrs. Owen served as a nurse and as an entertainer with the British Army in Palestine. Later she and her husband, Major Reginald Owen,

settled in Florida where Mrs. Owen soon became a leader in all civic and state activities.

Washington Conscious

When she ran for Congress, Ruth Bryan Owen defeated a seventh-term man for the place and began her work of making the country "Washington conscious." She is interested in the common people and has done much for the farmers and fishermen of her district. She is a strong believer in women's rights.

Ambassador

Mrs. Owen served as Congresswoman from Florida and was later appointed ambassador to Denmark by President Roosevelt.

Personal Charm

Ruth Bryan Owen has completely charmed Washington. She is tall, graceful, and dressed in the best of style. She is a gracious hostess, and it is said that she has been rushed like the most popular co-ed on a campus.

Accomplished Speaker

Mrs. Owen is also an accomplished speaker. She was a chautauqua hit for many years and has had much experience as a political speaker. Mrs. Owen can rise to a patriotic crescendo, or she can descend to punning and storytelling. Her well-modulated voice and charming platform manner enable her to hold her audience enthralled. The softer of her listeners are sometimes moved to tears, and all are made to laugh.

Because of her interests, her captivating personality, and her ability as a public speaker, Ruth Bryan Owen is sure to meet with an enthusiastic welcome in Canyon.

A Money-Saving OPPORTUNITY For Our Gas Customers

THE year-round gas customer is the backbone of our business. He takes gas service month in and month out and thus qualifies as a continuous and dependable consumer. The very permanency of his service connection reduces service expense.

To develop a more uniform year-round load and increase the number of continuous users of gas service, we have formulated an optional rate schedule available to the domestic or commercial consumer who agrees to use gas service continuously for a period of twelve months. The present minimum bill remains the same; otherwise the rate is lowered. More gas for less money is made possible under the optional rate schedule.

You are interested, naturally, to know what advantage this new rate schedule would be to you, and what the savings would be on your gas bills. We would be pleased to have you call at our local office or phone for a Company representative to call on you, to analyze each of your gas bills for the past twelve months, month by month. Then you can see in dollars and cents what your savings would have been for this period under our optional rate and can decide whether or not you want to take advantage of the savings offered.

The cold winter months of heavy seasonal gas demand are close at hand. We request, therefore, that whether or not you are at present a continuous or year-round consumer, you give us the opportunity of explaining to you our optional contract rate.

A. A. U. W. COMMITTEE
GIVES DINNER

The first activity of the local branch of the A. A. U. W. this season was manifest Monday evening, September 24. Approximately fifty members and prospective members attended a dinner given in their honor by the executive committee at the home of Mrs. Thomas B. McCarter, 1819 Fifth Avenue.

Mrs. McCarter's charming home with its quantities of yellow, rose, and orchid flowers made particularly pleasing the delicious food served.

Organization for the year provided five study groups: the Art group with Miss Margaret Wiley, chairman; the Biography group under the leadership of Miss Novella Goodman; the International Relationships with Miss Darthula Walker; Miss Miltia Hill and Miss M. Moss Richardson were elected chairmen of the Literature and Writing groups, respectively.

The first regular meeting of the local organization will be held Monday evening, October 1st, with Miss Goodman at the home of Miss Jennie C. Ritchie, 2010 Fourth Ave.

Those attending the dinner were: Misses Agnes Charlton, Ada Clark, Grace Clark, Elizabeth Cox, Novella Goodman, Edna Graham, Miltia Hill, Mary E. Hudspeth, Helen White Moore, Jean Moore, Ruth Lowes, M. Moss Richardson, Isabel Robinson, Mattie Swayne, Darthula Walker, Margaret Wiley, Orpa Dennis, Hattie M. Anderson, Pauline Brigham, Tennessee Malone, Fannie Malone, Florence McMurry, Anna I. Hibbets, Elva Fronabarger, Marie Fronabarger, Ima Barlow, Frances Usery, Helen Hickman, Jewell Foster, Fannie Sue Brasuel, Lois Goodrich, Erin Gamble, Gwendolyn Black, Lenna Foster, Ruth Greenfield, Frances Singleton, and Mesdames Irby Caruth, Geraldine Green, Thomas B. McCarter, T. V. Reeves, Carl Scott, Floyd Dunaway, Ray Campbell, Laura Saunders, C. A. Plerle, Elizabeth Fry Page, J. A. Hill, Jesse Barker, and C. A. Murray.

DAFFERN-CHAMBERS
WEDDING

Mrs. Lillian Daffern and Mr. Robert Chambers, both of Canyon, were married Thursday evening, Sept. 20, at 8 o'clock at the home of the bride's parents, Mr. and Mrs. W. S. Myers, 1001 Third Ave. About twenty-five friends and relatives were present. The ceremony was read by Rev. J. O. Quattlebaum of the First Methodist Church. The bride wore a blue silk crepe dress with accessories to match. Her sister, Mrs. Anice Combee of Lubbock was maid of honor, and Mr. Paul Inman was best man.

The couple left immediately for Curtis, Okla., for ten days, then they will go to Chicago for the Century of Progress.

Mr. Chambers is the son of W. H. Chambers of Canyon, and is employed by the Western Union Telegraph Co. After Oct. 15, they will make their home in Canyon.

Mrs. Ruth Mathews Stine of Amarillo visited with Mrs. D. M. Stewart Sunday.

MRS. J. M. DAUGHERTY
ENTERTAINS THURSDAY

A large group of friends were delightfully entertained last Thursday, Sept. 20, at the home of Mrs. J. M. Daugherty. The entertaining rooms were beautifully decorated with phlox, asters, roses, zinnias, bachelor buttons and other fall flowers.

Bridge was played throughout the afternoon. At the tea hour a tasty iced course was served to those seated.

Dahlias, roses and zinnias were appropriately placed in the entertaining rooms. At 7:30 o'clock the guests were seated and tasty refreshments of apple pie a la mode and coffee were served.

The remainder of the evening was spent in playing forty-two.

1930 CLUB WITH
MRS. J. L. DUFLLOT

Members and guests of the 1930 Club met with Mrs. J. L. Duflot, 1400 Third Avenue last Friday afternoon at 3 o'clock. Bridge was played throughout the afternoon.

At the refreshment hour a tasty iced course was served to Mrs. L. Angel, Mrs. C. R. Burrow, Mrs. J. S. Humphreys, Mrs. S. L. Ingham, Mrs. C. H. Jarrett, Mrs. F. E. Savage, Mrs. D. A. Shirley, Mrs. Clyde Warwick, Mrs. R. A. Terrill, Mrs. J. M. Daugherty, Mrs. Hud Prichard, and Mrs. T. B. McCarter.

REBEKAH LODGE MEETS
TUESDAY NIGHT

Canyon Rebekah Lodge 350 met in regular business session Tuesday evening. The Lodge was glad to welcome Mrs. Tate back. She was Noble Grand here a few years ago. Miss Floy Rowe was also received into the local order by transfer. The secretary sent a lovely bouquet of roses to Mrs. Pinky McBride who has been ill for some time.

Attention is called to the fact that lodge begins at 7:30 o'clock next Tuesday evening. All members are urged to attend.

Members present were Mrs. Maude Waggy, Mrs. Mary B. Weeks, Mrs. Myrtle Stratton, Mrs. Ola Ridgway, Mrs. Nannie Myers, Mrs. Mildred Sullivan, Mrs. Winnie Louder, Mrs. Minnie Laughery, Mrs. Dollie Taylor, Mrs. Margert Cole, Mrs. Lillian Tate, and Mrs. Barlow, who is back from Austin. Miss Tinnie Thompson, Miss Maye Warren, and Miss Columbia Redfean.

WOMAN'S BOOK CLUB
MET WEDNESDAY

The Woman's Book Club had its first meeting of the year yesterday afternoon. The Club women and also the Junior Woman's Club members met in the Methodist Church at 2 o'clock where Mrs. Doiney Taylor of Brownsville, State President of Federated Clubs and Mrs. W. P. Avriett, District President, talked to the group.

This meeting adjourned to the Club Room at the court house, where S. H. Condrion gave a very good lecture on Citizenship, and outlined work and objectives that the club should accomplish this year. Mr. Condrion's talk was considered one of the best lectures that the club has heard.

MISS COLUMBIA REDFEARN
GIVES DINNER SUNDAY

Miss Columbia Redfearn entertained relatives and friends Sunday with a lovely dinner at her home at 300 14th St. In the afternoon many more friends were in, and the afternoon was spent visiting.

Those seated for the dinner were: Mr. and Mrs. W. R. Redfean of Miami, Arizona; Mr. and Mrs. Loyal Lust and children, Evelyn Jo and Jack, of Priona; A. C. Eckle and son, A. C. of Priona; Jack Redfean of Priona; and Mr. and Mrs. M. O. Slack of Canyon.

MRS. L. T. CAMPBELL HAS
H. D. CLUB WEDNESDAY

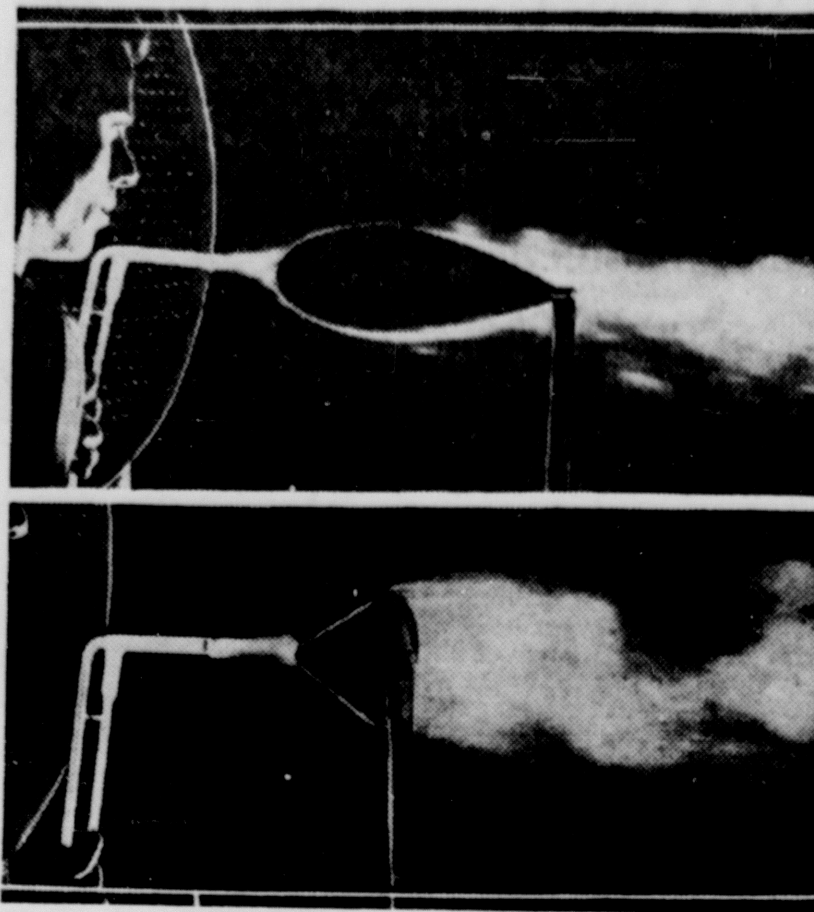

The Lakeside Home Demonstration Club met at the home of Mrs. L. T. Campbell, Wednesday, Sept. 19. The various uses of green tomatoes were discussed during the afternoon. Mrs. John Dickinson brought a green tomato pie to demonstrate the use of the tomatoes in that way.

The next club meeting will be held Wednesday, Oct. 3, at the home of Mrs. H. W. Burrows.

Mr. and Mrs. Jim Green of Ralls are in Canyon this week visiting friends.

Mr. and Mrs. Pat Whittington and baby Jean left for their home in Longview, Tuesday, Sept. 17.

Streamline Theory Via Smoke

In a graphic demonstration at Philadelphia, Lecturer Ray McClaren used this method to reveal the how and why of streamlining, new principle of mechanical design. In the picture above, McClaren releases smoke which a wind tunnel wafts over a streamlined model. This object offers little resistance to the flow of smoke, which continues on evenly and uninterrupted. Below, an unstreamlined object is used. Note the confused, cloudy nature of the smoke flow, after it encountered a vacuum behind the model.

ZITA CLUB IS
HIGH WINNER

Roll call was answered with "The number of places I won in the County Fair," by members of the Zita Home Demonstration Club at their regular meeting Tuesday afternoon at the home of Mrs. Lawrence Stewart.

Out of thirty-four entries Zita club placed twenty-five times in the county fair, and five times in the Tri-State Fair.

Miss Bass gave the club a very interesting demonstration on tomato juice.

Miss Bass stressed the point that only firm, ripe tomatoes were to be used in this product and also that too high a temperature at the time of processing would cause the juice to separate.

Refreshments were served to seven members, Miss Bass, and the hostess.

MRS. OWEN WILLIAMS HAS
LAS SENORAS NEUVAS

Fall flowers decorated the entertaining rooms at the home of Mrs. Owen Williams when she entertained the Las Senoras Nevas yesterday afternoon at 3 o'clock.

At the tea hour a tasty plate lunch, consisting of salad, hot rooks, pickles, cake and whipped cream and coffee was served.

Those present were Mrs. Harry Wood, Mrs. Claude Moore, Mrs. Andy Walsh, Mrs. R. O. Johns, Mrs. Hubert Hartman, Mrs. J. Madison Daugherty, Mrs. Hud Prichard, Mrs. Levi Cole, Mrs. Aubrey Fox, Mrs. R. E. Ball, Mrs. Winfield Miller, Mrs. A. K. Goodman, Mrs. A. B. Brown, Mrs. Joe Black, Mrs. K. Kunze, Mrs. Ed Little, Mrs. Golden Green, Mrs. George Nance, Mrs. Jim Rose, and Mrs. Roscoe Davis.

TUESDAY NIGHT CLUB
WITH MRS. HARRY WOOD

Mr. and Mrs. Harry Wood of 2704 4th Ave., were hosts to the Tuesday Night Club, Sept. 18th. The house was beautifully decorated with a profusion of fall flowers.

A dessert course was served at the refreshment hour to Mr. and Mrs. Hud Prichard, Mr. and Mrs. R. O. Johns, Mr. and Mrs. J. Madison Daugherty, Mr. and Mrs. W. Hartman, Mr. and Mrs. Warren Johnson, Mr. and Mrs. Andy Walsh, Mr. and Mrs. Carl Scott, Mr. and Mrs. Aubrey Fox, Mr. and Mrs. A. K. Goodman, and Mr. and Mrs. Winfield E. Miller.

JUNIOR WOMAN'S CLUB
OPENS YEAR'S STUDY

The Junior Woman's Club opened its year's work Monday in the Woman's Club Room with the study of the novel, Anthony Adverse, by Hervey Allen.

A short business session was presided over by the president, Mrs. Winfield E. Miller. The Club voted to make a donation to the fund for the purchase of uniforms for the Canyon High School Band.

Mrs. W. H. Hartman gave a Biography sketch and criticism of the author, Hervey Allen. Mrs. C. W. Batchelder gave a review of the novel, Anthony Adverse.

BAPTIST W. M. S. HAS
MEETING

The Baptist W. M. S. met in an all day meeting at the Church, Tuesday, September 25. A Mission program was given and Circle II had a most interesting program. A short business meeting was also held. About thirty members were present.

Mrs. W. T. Gross of Amarillo visited in the Doris Cheyne home over the week end.

Miss Dalma Fry spent the week end in Lubbock with friends and saw the Texas-Tech football game.

First School
Group Visits
In Museum

The first official group of school children visited the Panhandle-Plains Historical Museum Thursday evening, September 20. Thirty-three children, both high school transfers to McLean, and grade children from the Back Schoolhouse, ten miles north of McLean, were brought in one of the school buses by Mr. W. A. Foster, Principal of the Back School.

Each year a number of schools in this territory send groups of children to the museum for educational purposes.

THE GREAT AMERICAN HOME

Opening Filled Adm. Auditorium

Students Welcomed To W. T., Dr. Hill Postponed Message

With the Administration Auditorium filled to capacity, Thursday morning, September 20, West Texas State Teachers College formally opened for its 25th session with Dean R. P. Jarrett presiding. After the invocation, led by Reverend J. R. Hicks, pastor of the Baptist Church, Herschel Coffey, Assistant Professor of Music rendered a violin selection: "From the Canebrake," composed by Gardner.

Welcome Students

C. R. Burrow, Mayor of Canyon, delivered the welcome address to the students and faculty of the college for the citizenship of Canyon, exhorting students to gain knowledge while the opportunity was at hand.

Reverend Quattlebaum, pastor of the Methodist Church, gave a welcome to the student body from the churches.

John E. Hill

John E. Hill, of Amarillo, member of the Board of Regents, spoke for the Board, encouraging students, and especially new students, to have conscious thought of what part they play in their school and community and admonishing them to be of mutual benefit to each other and to the State of Texas.

Rev. Snodgrass

Reverend Snodgrass, pastor of the First Christian Church of Amarillo, centered his short inspirational talk on the students and on the members of the faculty training themselves to be entertainers rather than those entertained; teachers rather than being taught was also a point which he emphasized. "To give yourself enjoyment," said Reverend Snodgrass, "be fitted for an avocation as well as for a vocation."

Home Coming

Prof. L. F. Sheffy, Head of the History Department, Chairman of the General Committee to formulate plans for Home Coming, announced that on October 19-20, West Texas State Teachers College will celebrate its twenty-fifth Anniversary with an elaborate program. The main attractions will be an address by Ruth Bryan Owen, world renowned diplomat, and a barbecue. "We are expecting at least one-fourth of the 17,000 ex-students for the celebration," said Mr. Sheffy. "Parents of all students are extended a cordial invitation to attend," stated the Chairman.

Dr. R. P. Jarrett, Dean of the College; D. A. Shirley, Registrar; Dr. Harris M. Cook, Dean of Men; Mrs. Geraldine Green, Dean of Women; and Travis Shaw, Business Manager of the college were introduced and each gave a short word of welcome and encouragement to students.

Mr. Shirley announced that the Registrar's office hours would be 8:30 to 12:00 a. m. and from 1:30 to 5:00 p. m.

Professor Wallace R. Clark sang "The Two Grenadiers," accompanied by Miss Frances Alice Clark.

President J. A. Hill postponed his message to the students until a later date.

The program was concluded with the benediction led by Reverend Chas. L. Dickey, pastor of the Presbyterian Church.

Writers Invited To Contribute

Dalhart, Sept. 24.—To foster greater interest in and appreciation of Panhandle writers and Panhandle culture, the Dalhart Texan, daily picture tabloid, will publish a poetry anthology November 15, say John L. McCarty and Henry H. Lawrence, under whose direction the verse compendium will be issued.

The anthology will be printed on high grade book paper, bound in cloth and will be library size. Poetry for it will be gathered from writers in the Panhandle of Texas, New Mexico and Oklahoma. The title will be "Prairie Nights and Yucca."

Gathering and selection of material is already well under way. The editors are urging all poets in the Panhandle area to submit their best manuscripts immediately as the deadline for their receipt is October 20. There is no cost to any of the contributing writers.

Persons wanting copies of the book should also place their orders immediately for first edition copies as publication of some sections will soon be started.

Miss Hazel Cooper was home over the week end. She is teaching in Pampa this year. C. O. Cooper returned to Pampa with her Sunday and spent the afternoon with friends.

Judge S. B. Orton and G. B. Heath went to Plainview today to attend the convention of judges and commissioners.

Dam Rises in Tennessee Vale

In this spectacular scene as man changes the face of nature in the picturesque Tennessee Valley, a giant length of penstock tubing, 20 feet in diameter, dangles from creaking cableways while being laid in the Norris Dam—an important step in the \$37,500,000 project. This huge, several hundred feet of which are being installed, will carry water from Norris Lake through the dam to powerhouse turbines.

Condron Talks of Government Tuesday Before Rotary

S. H. Condron talked Tuesday at the Rotary luncheon on the needs of the government today. He was introduced by Bob Foster, chairman of the Custodian of Property committee.

One of the great needs today, according to Mr. Condron, is the development of more interest and respect for our government. "Master Citizens," those who truly perform their duties as citizens, could well be chosen in each community.

Mr. Condron pointed out a new department in Princeton University which will train young people for government work, just as business and industry trains those who will enter those fields. The government is spending 50 billions of dollars annually, yet it is handled very largely by amateurs. The English government is superior because young men are trained for the purpose of holding public office. Russia may not succeed, but at the present time it is making an effort to improve its government, both by training its citizens and training its public officials.

Mr. Condron approved President Roosevelt's so-called brain trust—composed of students of government and economics who studied present conditions from an impartial and non-partisan standpoint. He pointed to the results of cleaning up New York City as a result of men being called into public office who were equipped and qualified to fulfill a public obligation.

Visitors present Tuesday were, H. B. Fain, Jack Edwards, H. A. Harris, Ed Smith, Arch Huntsley, B. E. Masters and W. A. McIntosh, all of Amarillo; Travis Shaw and S. H. Condron of Canyon.

HAMLIN CALLS MEETING ON BUSINESS RIGHTS

Wallace R. Clark, Canyon's West Texas Chamber of Commerce Director, and local chamber officials have been invited by James D. Hamlin, Farwell, president of the regional chamber, to attend a joint meeting of the directors of the West, South, and East Texas chambers in Waco, Friday, October 5th.

According to Hamlin's notice the meeting is "For the purpose of throwing the combined strength of the three regional chambers of Texas behind a definite work program which would have for its objective championing the rights of property and business."

Palo Duro Peeps

Rev. and Mrs. H. K. Frerking and children of Amarillo were supper guests in the home of Mr. and Mrs. Henry Miller, Sunday night.

Visitors in the Herman Meyer home Sunday evening were: Mr. and Mrs. Henry Meyer and family, Mrs. Von Segern, Mr. and Mrs. Jack Wester, and Mr. and Mrs. B. A. Burrus and son.

Mrs. James Jennings and daughters were callers in the Henry Miller home Sunday afternoon.

Mr. and Mrs. Gus Leseberg, Mr. and Mrs. G. H. Leseberg, Wilma Schuette, and Mr. and Mrs. Raymond Tucek attended the birthday dinner given by Mrs. Clarence Beckman in honor of Mrs. Tony Beckman at Umbarger Sunday evening.

Miss Herta Meyer of Friona visited in the parental Herman Meyer home over the week end.

Mr. and Mrs. Herman Kuhlman and family and Mrs. Fred Rogge and family were visitors in the Gerdson home Wednesday night.

**Question: How Far
Will a Dollar Stretch?**

**Answer: Just as Far
as You Want It To!**

THIS picture was made with the aid of one of those phoney rubber dollars you may have seen in the novelty stores. But REAL dollars—honest-to-John shopping dollars—will stretch, too! You can make them cover more purchases than you ever thought possible if you know how and where to spend them most economically!

Making a dollar go farther is just another name for thrift, and thrifty shoppers are usually ad-shoppers. They know what they're going to buy—where to buy it—how much to pay—before they leave their front doors. They plan their shopping tours with the help of the Canyon News.

Get the ad-shopping habit. It is the royal road to wise buying.

Hi kids, I wanta tell ya whut happn'd tother day las' Friday. I wuz a snoopin' around up at tha hi school, an ever wunse in a whal did heere sum gal say, "jist 35 more minits," and about five minits later sumbuddy else would say "thirty mo' minits," and I jist couldn't imagine whut wuz gonna happen. I thought maybe they wuz when the world wuz a comin' to the end cuz I've heered sumthin about the world a comin' to a ind.

I got scarder an' scarder as the time got closter, and I jumped on old Israfel and thought I'd git out uv the way if they wuz gonna happn, but the furthest I'd go the closter I'd cum to the endin' that they wuz no place I could go to git out uv the way from sech a happnin'.

I finally go so scared that I fell off uv Israfel and when I waked up I wuz in a horsepital. I'm over my hert now tho, and when they telled me that the time keepin' wuz the gals awaitin' for time to leave fer time for Dumas, I made up my min' rite than that I'd soo them gals fer my horsepital bill.

And sey, did them Eagles play hard and beat them Dumas demuns? I'll sey they did, and I bieve the yelpin uv them pep skwaud shore helped um too.

I've decided not to soo thum pep skwaud gals cuz I think thur blasterd faces is punisht e nuff. Well so long.

CACTUS CAL.

What about our much heralded school loyalty? Canyon High School has a grand pep squad, a first class football team, the whole school is backing those Eagles; and yet, why doesn't C. H. S. have a larger band? Other towns have uniformed bands in which the citizens take part in supporting this band. In these towns, there is a band leader hired who devotes his entire time to the band. True, the town pays a certain per cent of this man's salary, but is Canyon that far behind other towns? Those Eagles would surely fight hard if a purple and white band was egging them on, so come on, Canyon, let's get a large band with uniforms—Mary Ella Lowe.

Classes Commence Lively
Season Ticket Campaign

All the classes of the High School with their sponsors, met Monday, September 24, for the purpose of discussing and making plans for the loyalty campaign.

The senior class discussed the loyalty campaign. Nearly all the students are buying tickets except the football boys. They all promised to sell at least one ticket.

The junior class decided to put the loyalty campaign over one hundred per cent. Practically all members are working on this project.

After the sophomores discussed plans for the loyalty campaign, they planned a masquerade party to be held Saturday night, Sept. 29, in the high school gymnasium.

The freshmen discussed plans for their banquet, which is to be Thursday night, Sept. 27. They also discussed plans for the loyalty campaign.

Thirty-six Grade
Pupils Commence
Orchestra Work

Approximately thirty-six grade school pupils have chosen musical instruments and have begun work toward a Grade School Orchestra under the instruction of Mrs. J. D. Barker, instructor in music in the public schools.

Although the lessons, given individually or in small groups, are given free of charge by Mrs. Barker, the pupils have purchased their own instruments and music books.

The pupils meet in the music room of the Grade School during their various study periods, or before school. After the students have become better acquainted with their instruments, all those members playing the same kind of instrument will be grouped together. Later these groups will, in their turn, be united to form the orchestra.

Seventeen Violinists

The seventeen violinists will be: Raynelle Rigby, Ketty Johnson, Vera Faye Marsh, Pauline Spenser, Carl Christwell, Donald Foster, Raybourne McKee, D. E. Mariner, Carol Dooley, Iris Dooley, Norma Lee Black, Juanita McKee, Opal Wall, Lucille Davis, Billy Davis, and Wayne Sanford.

The seven trumpeters will be: Hudson Prichard, Carl Small, Anna Ruth Schmitz, Dorothy Strain, Billy Jo Kunler, Charles Gerald, and Edward Little.

Four Play Trombones

Those playing the trombone will be: Martha Frances Campbell, Vaughne Vandergrift, Carl Cone, and Betty Jo Cone.

The three playing the clarinet will be: W. J. Wooten, Renna Beth Bellah, and Dawson Little.

Glenn Hicks will play the alto,

Students Speak in
Special Assembly
September 19th

For the purpose of introducing to the Canyon High School students Mary Ella Lowe and Jack Oldham, the two candidates for the presidency of the student council of 1934-35, an assembly was called Wednesday, September 19.

After announcements, the campaign managers of the candidates took charge of the assembly. Bob Orton, manager for Mary Ella Lowe, said, "Mary Ella is small, but just the same she has the gray matter whut it will take to be a good president." Bob gave some of Mary Ella's good points, such as winning the district extemporaneous contest.

and E. F. Hicks, the drum.

Other instruments have been ordered by several other students. These members will be given lessons and added to the orchestra as soon as they receive their instruments.

Student Council
Met Monday, 17

The Student Council of Canyon High School met Monday, September 17, at the home of Supt. I. B. Carruth, in order that they might discuss current problems of the student body.

Definite plans were laid as to the method of electing the president of the Student Council. Other subjects discussed were the election of the football queen, students walking in the streets, the noon hour, and possibilities of a new tennis court.

Only four of the eight Student Council members were present. They were Mary Ella Lowe, Polly Little, Hampton Lisle, and Sam Archer.

Chloie Hall, Anna Kathryn Overton, Edith Steen, Mary Ella Davis, Jewell Chambers, Margaret Nicholas, Lawrence Fulton, Hampton Lisle, Chris Wooten, Leslie Lisle, and O. M. Solomon were at the Tri-State Fair Saturday.

Lawrence Fulton, Marie O'Donnald, Rowena Lockwood, Florence Root, Betty Ruth Solomon, and Edgar Hutton were at the Tri-State Fair, Tuesday.

Mary Ella Davis, Yvonne Thomas, Beulah Brasuell, Mildred Shuman, and Edith Steen were at the Fair Thursday.

Carl Prichard, Evelyn Cluck and Lorene Bessire were at the Tri-State Fair, Monday.

Chloie Hall and Rowena Lockwood spent the week end in Amarillo.

EAGLES DEFEAT
DEMONS 7-0 AT
DUMAS FRIDAYSCORE LATE IN THE SECOND
QUARTER; GAME IS
HARD FOUGHT

The Canyon Eagles won their first non-conference game by defeating the Dumas Demons at Dumas Friday by the score of 7-0.

The score came in the latter part of the second quarter, when Edd Brooks, fleetly Eagle half, carried the ball from the five yard line over the goal, following a pass combination from O. M. Solomon to Les Lisle.

The game was one of excitement from start to finish. Each team was constantly being driven far into their own territory, only to punt out of the danger zone.

The Demons' greatest gains came through their crafty aerial attack, while the Eagles' line plunging brought best results.

From The Principal

The child is the most precious possession of any parent. This fact places upon the school a tremendous responsibility in accounting for the pupil who is sent each morning from the home to the school.

When the parent deposits money in the bank, a strict accounting is demanded for every penny deposited. How much more important is it that the school account for the activities of the child during its formative years.

Canyon High School expects to make an accounting for the child in its charge. To do this accurately and satisfactorily, it is very necessary that for every school day the pupil does not report to the school an excuse in writing be sent by the parent.

This hearty co-operation between home and school will result in better attendance and greater accomplishment.

and Football Squad
in Assembly Program

The football squad, Rev. J. O. Quattlebaum, of the Methodist church, and Rev. Chas. L. Dickey of the Presbyterian church, furnished the assembly program for Thursday, September 20.

Supt. I. B. Carruth explained in full the season tickets and the Loyalty Campaign.

The football boys and Coach Cleveland Jones filed into the auditorium, taking seats at the front. Eighteen of the boys were dressed in the new suits and six in the best suits of last year.

The new suits have black helmets, khaki pants, purple socks, purple sweaters with light grey sleeves. The letters are grey ranging from 50 to 67.

Rev. Quattlebaum pledged his support to the team with, "I am counting on your winning."

Rev. Dickey then urged the support of the students by telling a humorous story.

Coach Jones then introduced all the football squad, giving their number and what they played.

Honorable mention was given to Kenneth Black, who is suffering with a sprained ankle, and Sewel Cox, unable to play this year on account of a broken leg.

Mr. Jones stated, "I think we have a bunch of boys that can go a long way in the district."

4a, 4c, Are Winners
In P. T. A. Contest

Four A and 4 C won the \$2.00 at the Parent Teachers Association meeting last Thursday night, September 20, for having the most mothers present. These two classes are under the supervision of Miss Ann Smith.

Since the Tri-State Fair, the two first grades are having a circus unit upon which every subject is based for the next several weeks. In Language, the grades are discussing circus animals; in art, the students are modeling and coloring circus animals. The students are also having picture study of the different phases of circus life. Miss Singleton and Mrs. Collins are the teachers of the first grade.

Mrs. Murrell's second grade is working on a circus picture show to be shown to the two first grades when finished.

Margaret Croson visited her sister on a ranch south of Claude Friday.

Lorna Cone went to Dimmitt Sunday.

Helen Bowman spent Friday night in Happy.

TWENTY BAND
MEMBERS TO
GET UNIFORMSEACH BUSINESS FIRM IS
URGED TO BUY ONE
BAND SUIT

The ladies of the American Legion Auxiliary are sponsoring this week, a campaign for the purchase of twenty uniforms for the high school band. During the coming week business men will be urged to buy a uniform which will be given to the high school band.

The uniforms will consist of purple and white capes and purple and white caps decorated with the initials, C. H. S. in white. The white trousers which will complete the uniforms are to be furnished by the band members themselves.

The twenty uniforms have already been ordered by the Auxiliary. Two hundred and fifty dollars must be raised for this purpose.

The ladies plan to have the suits here by October 6, the date of the first home football game. The Eagles' opponents on that date will be the Groom football squad.

MISS MATTIE JORDAN
RETURNS TO SCHOOL

Miss Mattie Jordan returned to school Monday morning, after an illness of three weeks.

Miss Jordan teaches English and Latin, and is in charge of the library. During her absence, Mrs. R. E. Ball and Miss Irene Angel have been teaching her classes, while Miss Jewell Foster kept the library.

Senate Casts Light on Munitions Industry, Believed "Arch-Foe of Peace"

Felix, Irene, Lamont, and Pierre du Pont, left to right, of Wilmington, Del., members of America's "royal armament family," are pictured above as they faced Senate munitions probes in Washington. Inset is Senator Gerald Nye of North Dakota, chairman of the Senate Munitions Committee.

IN the investigation of the armament industry, to determine the extent of its power, profits and anti-peace propaganda, the Senate Munitions Committee has made distinct headway.

The enormous revenues possible in the arms trade during wartime were spotlighted during one session attended by four members of the du Pont family, which controls the \$620,000,000 E. I. du Pont de Nemours powder firm.

This company, it was revealed, rolled up a business of \$1,245,000,000 during the war, paying \$17,000,000 in bonuses to its officers. During this period, incidentally, the du Pont company was shown to have objected to a government munitions tax.

Senator Gerald Nye of North Dakota, committee chairman, is determined to see the probe completed. "Profits must be removed from war," declared Nye, who hopes to expose U. S. munition men's activities in lobbying, bribing government officials, spreading American-Japanese war propaganda, promoting South American wars, and profiteering in deals with the army and navy.

One of the aims of the probe was to learn if American armament firms held "hands across the sea" with foreign arms companies, whose wartime and peacetime activities had left a trail of treason, greed and blood throughout Europe.

It developed during an early session of the committee that the Electric Boat Co. of Groton, Conn., submarine producers, had a working agreement with Vickers-Armstrong of England, setting up non-competitive areas for sale of submarines; that for 11 years prior to 1930, commissions totalling \$766,000 had been paid to Sir Basil Zaraboff, munitions super-salesman and "mystery man of Europe," and that there had been other international negotiations.

BEFORE the World War, European "death salesmen" broadcast the patriotic boast that it was their material which enabled their respective nations to defend themselves against possible enemies.

But post-war revelations stripped from them this defense, showing that they sold weapons of mass murder with great impartiality.

It was charged that British

shells killed British troops in the Gallipoli campaign; that French guns mowed down French troops in the World War; and that German soldiers were killed by German ammunition sold during the war.

Here is another startling allegation that hinted the vast power of the arms merchants. During the war, the French army did not bombard the Briey basin where embattled Germany got its steel. This, even though the basin was in easy range of enemy shells many times, and its destruction, it has been claimed, would have shortened the war by two years — BEFORE A SINGLE AMERICAN LIFE HAD BEEN WASTED.

But French armament makers had decreed that the property of business brethren across the lines was to remain unharmed. The Germans retaliated by refusing to bomb French munitions properties.

Despite widespread knowledge of its pro-war, profiteering activities, the European munitions ring prospers. Its members are said to control government, banks, vast industries, great newspapers . . . in short, to constitute a powerful, constant threat against world peace.

GREATER MOTOR PROTECTION— LOWER OIL CONSUMPTION PROVED

AT Indianapolis Motor Speedway, under AAA supervision (Sanction No. 3001), New and Improved Conoco Germ Processed Motor Oil was tested against five other nationally known motor oils.

Six identical stock cars were broken in on oils assigned them by lot. Each car was filled with five quarts of its assigned oil—no more added—and driven until the motor was wrecked.

New and Improved Conoco Germ Processed Motor Oil carried its car 4,729 miles—3,105.8 miles farther than the first oil to fail and 1,410.2 miles farther than the best of the five oils!

Could you ask for better proof of greater motor protection and lower oil consumption? Drive into a Conoco Red Triangle Station today and fill with New and Improved Conoco Germ Processed Motor Oil!

EYES DO 30% MORE WORK THAN THEY DID A GENERATION AGO----

Scientists tell us that we use our eyes on an average of 30 per cent more than we did a generation ago. Evenings of reading, bridge and other diversions have added almost a third to the day's work which our eyes were formerly called upon to do.

Scientists have also found that a large portion of the energy of the average person is consumed in SEEING.

Lower Gas

(Continued from first page)
must be used for twelve months continuous service.

The rates are:
Minimum bill, \$1.50 month.
One-ninth of bill to be added if not paid within ten days after date rendered.

Rate "A" is applicable to any consumer using five thousand feet of gas or less per month.

First 2,000 cubic feet, or less, per month, \$1.50 (minimum bill); next 3,000 cubic feet per month at 50 cents per thousand cubic feet.

Rate "B" applicable to any consumer using in excess of 5,000 cubic feet per month.

First 6,000 cubic feet per month, \$4.00.

Next 44,000 cubic feet per month at 50 cents per thousand cubic feet.

Next 50,000 cubic feet per month at 30 cents per thousand, excess per month at 25 cents per thousand.

"The purpose of Rate 'A' in the revised schedule is to give a lower rate for gas that is consumed primarily for water heating and for cooking," said Hinchey. "Gas used for these purposes is not subject to any great seasonal fluctuations in demand, and the company feels, therefore, that a lower rate is justifiable to consumers who use gas in excess of the minimum bill for such purposes."

"The introduction of Rate 'A' is the only change in the optional contract rate previously proposed and accepted by the city commission. This change will afford an opportunity to all consumers to accept the benefits of reduced rates, and will permit them to make a saving in the annual cost of their gas service, without increasing the amount of any monthly bill above what the customer is now paying under the present rate. The consumers who would have made a saving under the former proposed optional rate will make an additional saving under Rate 'A' on account of the reduction in the amount of their bills during the summer months of low consumption."

Enrollment

(Continued from first page)

is being done at W. T.
Not to be outdone by the increased number of students, the extension work will be materially increased throughout the year. Indeed, as President Hill remarked: "It looks like a busy year for W. T."

In the Elementary School, an

additional teacher was hired to take over the second grade pupils. They were formerly instructed by the same teacher who taught the third grade. The number of pupils in the Elementary School roughly average twenty-five to the class. In the High School, the average number of pupils in each grade hovers around the thirty-five mark. The total enrollment for the Demonstration School mounted to a new high mark of 325. Part of the increase may be explained by the fact that several small rural schools have transferred a part or all of their students to the Demonstration School this year.

Concerning the greater number of students, President Hill says, "I am greatly delighted to see such a large number of students, and to know that we have reached a new high-water mark for the regular session." He went on to add, "The quality, I think, is unusually fine and this may come from two or three sources. First, the rigid selection exercised in filling Randall Hall where 106 girls are now staying; second, the FERA selections of ninety-one choice young people; third, Mr. T. M. Moore's project at the College Farm."

There are some seven or eight young people of varied newspaper ability and experience enrolled; there are many honor students in the Freshman class; there are high school band directors, and a large number of students who have won scholarships in their respective high schools.

Yes, sir! It looks like a busy year for W. T.

Bufs Have

(Continued from page one)
a touchdown, but the play was called back and the Bulldogs were assessed a 15 yard penalty for clipping. On the very next play without a bit of rest, Young ran 55 yards for another score.

Conquered Goldbugs
Last week Coach Williams and his men conquered the Oklahoma City University Goldbugs 13 to 0 in a major upset. The Goldbugs are one of the largest teams in the United States, as fans who saw them play the Bufs last year will remember, but the Bulldogs defeated them decisively. Coach Cox who scouted the game for the Bufs said that the Southwest team was one of the best hustling and best conditioned ball clubs he had ever seen.

Last week the Bufs were primed for a successful start which was unexpectedly nipped in the bud by the Ada Tigers. The Bufs did not display the "stuff" that

they were expected to after the way they had shown up in scrimmage. This Friday night may mean the making or the breaking of a good ball club. Everyone be there to help.

Buffaloes Lose First Game of The Season**Bufs Fail to Click In Game Against Hard Opponents**

The Buffaloes failed to "get going" in the opening game of the season played at Buffalo Stadium Friday night. One of the largest crowds ever assembled at the stadium urged the Bufs on, and expressed sympathy over the poor showing made by the team in its initial performance of the year.

But the Bufs were not alone to blame for the 12-0 defeat handed them. The visitors from the East Central Teachers College of Ada, Okla., has a real team that had some outstanding players, all of whom were in the game all the way through.

The Bufs came out on the field in new uniforms, made an impressive showing as they went through a brisk workout, made a wonderful start in the first few plays, and then everything went wrong.

Members of the team express the opinion that overconfidence turned the trick which caused their downfall. The boys had made up their minds to win by four touchdowns, but discovered that once a team gets off on the wrong foot, nothing will get them clicking in time, regardless of past training or experience.

Coach Baggett sent in many substitutes hoping that the team would get straightened out, but the substitutes likewise failed to get up steam enough to stop the visitors, or to make an impressive showing against their strong opponents.

It was simply not in the stars for the Bufs to win Friday night. But that was only the first game of the season.

G. T. Whaley made a business trip to Panhandle Monday.

Mr. and Mrs. B. F. Lomison visited in Borger Sunday.

Pennsylvania Breeds New Fight Champ . . . Supreme Tennis Is Briton . . . We're for Chicago's Virginia . . . Oval Shrinks

BY PHILIP MARTIN

"DOWN where men are men" seems to apply to the coal regions of western Pennsylvania as much as to the west. Inhabitants of the coal district are as tough as its native anthracite or so boxing records indicate.

For the fourth time in fighting history, the mining areas has furnished America with a middleweight champ. By virtue of his victory over Vince Dundee, Teddy Yarosz treads in the foot tracks of Frank Klaus, George Chip and Harry Greb.

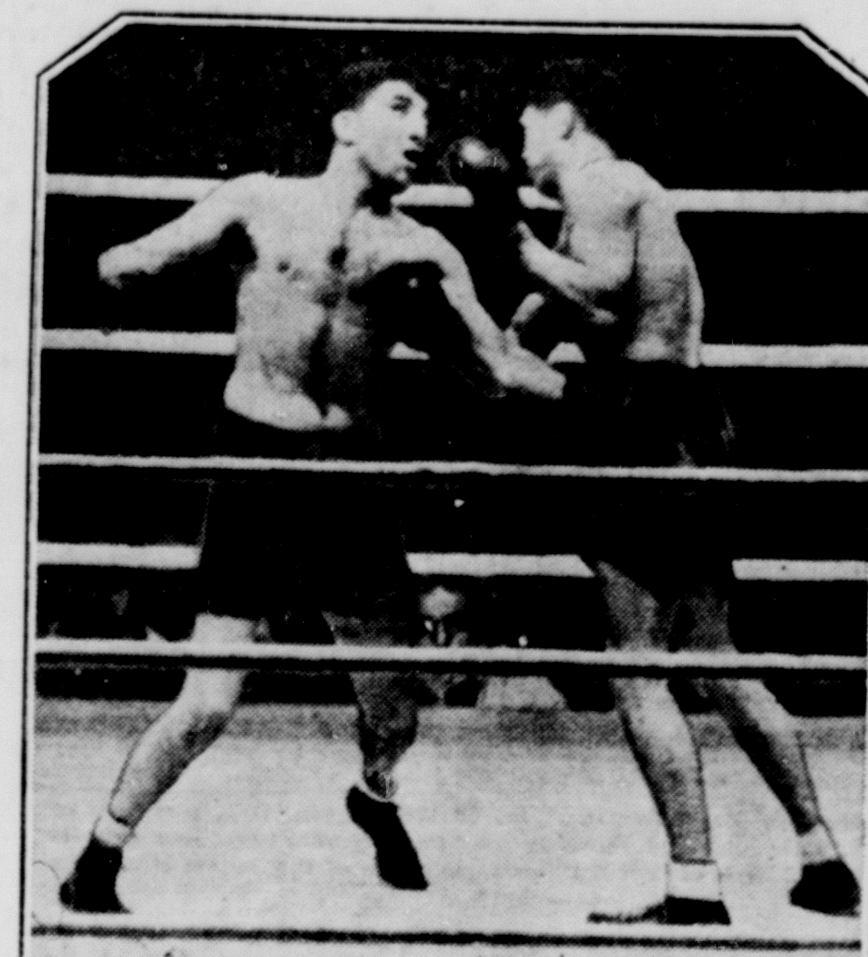

In his meteoric rise from the amateur ranks, Teddy has garnered an impressive record. Look it over:

Thirty-six wins out of 38 simon-pure bouts. Fifty-seven consecutive wins in the welter division. And seven wins in the middleweight bracket; in three of which he laced Dundee. The only blemish on Yarosz's pro record is a defeat at the hands of Kid Wolfe. Stamina, aggressiveness and skill, rather than a k. o. punch, have brought Yarosz the laurels.

GREAT BRITAIN, long known as "mistress of the seas," seems now to be also "mistress of the courts." The net crowns of England, Australia and America now repose gracefully on the head of a smiling young Englishman who, just a few years ago, was totally unknown in international competition.

By defeating Wilmer Allison of Texas, which, incidentally, he has accomplished six times, Fred Perry copped his second American national championship in as many years.

OUT there on the links in early October, trying for a third American national championship, will be plucky Virginia Van Wie of Chicago. Remembering that she won the coveted woman's title in 1933 against tough competition, including Enid Wilson, the British champ, for one, Miss Van Wie seems to have a good chance of repeating. Brilliant in her iron play, though faulty in her putting, Virginia's greatest strength lies in her approach shots. Several times, after being beaten, she has worked zealously to improve her game and succeeded, in re-

They breed tough fighters down in Pennsylvania. Teddy Yarosz, bottom left, is shown above during the scrap in which he copped the middleweight crown from Vince Dundee (at left, above). And over in England, they turn out champ tennisers. At right, below, is Fred Perry, who reigns supreme over courts everywhere.

turn matches, in turning the tables. We believe that after the Chestnut Hills, Pa., tournament, no one will have to convince Virginia there is a Santa Claus.

NOW, grid warriors who have long bemoaned their lack of great, muscular paws may perk

up. Even dainty, feminine lunchhooks are in the money now, with the new pigskin. While having the same weight, inflation, and length as last year's oval, the new model will have a smaller circumference. The change in size is expected to place more emphasis on aerial attacks this season.

Regenbrecht, Extension Swine Husbandman for Texas. The referendum is set for the first week of October.

Regenbrecht represented the Texas Extension Service in the AAA meeting held recently in Kansas City where farmers and representatives from state agricultural colleges from Kansas, Missouri, Iowa, Nebraska, Oklahoma, Arkansas, and Texas met to make recommendations for the next steps in the corn-hog program. The first question discussed at Kansas City and to be voted on by corn-hog contract signers is whether or not there shall be any sort of adjustment program in this field, Regenbrecht stated.

The second point to be decided is whether the contract shall deal with corn only or hogs only or be a joint contract as in 1934.

The third question will ask for preference on the type of contract which they wish to follow the 1935 program. This refers to a possible unified contract for the six basic grains: wheat, corn, rye, barley, grain sorghums and flax. It would represent a shift from several single crop contracts to a broad program of developing better systems of farming through less intensive use of land, conservation of soil resources, and use of land for those crops for which it is best adapted.

The fourth question will be voted on only by those contract signers who are grain sorghum growers for grain. It will ask if they prefer that grain sorghums be included in the 1935 contract. The exact wording of the questions will be available at the time of the referendum.

At Kansas City the voting was that benefit payments be made on both corn and hogs, that the established 1932-33 base in the 1934 program for both corn and hogs be used, with benefit payments of \$3 per head on 75% of the 1932-33 hogs, and of 40 cents per bushel on the appraised yield of contracted corn acres; and that the growing of hogs be permitted up to 80% or 85% of the base, and corn acreage be increased up to 75% to 90% of the base, the exact percentage to be optional.

County Agent W. H. Upchurch states that a meeting will be held in each of the four precincts in Randall County for the purpose of conducting this vote. While it is known that the first week in October is a very busy time; however, the administration wants to know the farmers' reaction to the program and since the date for the referendum is set for the whole country it is thought that every

hog farmer will spare one evening to attend the meeting.

The exact date and place of each meeting will be announced by a formal notice by mail to each contract signer.
